Kreepy Krauly®

Automatic Inground Pool Cleaner

More vacuuming power
for ultimate cleaning
performance

**Absolutely, positively, the best
automatic inground pool cleaner!**

Kreepy Krauly provides optimum cleaning performance, simplicity, and convenience. It features a turbo-action swivel design and a super-efficient regulator valve for maximum cleaning power. Kreepy Krauly is available in two models: one for concrete pools and another for vinyl, tile, and fiberglass pools.

Kreepy Krauly®

Automatic Inground Pool Cleaner

Performance and reliability features:

- It's proven. Our patented design and rugged construction have been put to the test in more than 2 million pools worldwide.
- It's reliable. With only one operational moving part, the Flapper, Kreepy Krauly is designed for a long, dependable life.
- It's automatic. Kreepy Krauly works when your pool pump works, using your pool's existing filtration system.
- It's simple. No need for booster pumps, no bags or compartments to empty, wheels or gears to jam, or diaphragms to replace.
- It's thorough. Kreepy Krauly vacuums and cleans your entire pool from tile line to pool floor. True random pattern coverage helps eliminate missed spots.
- If you ever have a question about your Kreepy Krauly automatic pool cleaner, just contact our toll-free customer helpline for assistance. Our technical service experts are ready to help. Available in U.S. and Canada only.
- Two-year limited warranty. See warranty for details.
